Sir,

I have the honor to submit herewith an application from M. Badami Krishna Rao, Extra Assistant Commissioner and Vice President, City Municipality, praying for the grant of a monthly allowance to cover the expense of maintaining the necessary Conveyance required for the performance of his duties. The nature of the office entails out-door inspection almost every day, extending over several hours. This necessitates his keeping at least one horse

for riding and a Convey
Officers of similar rank in Govern-
-ment Service get Rs 4/- a day and a
8 annas a mile. The Vice President
from the nature of his duties is
precluded from enjoying the bene-
-fit of these liberal rates which
are intended to defray the Expense
of maintaining the requisite
Establishment of horses and
Carriages. He is nevertheless obliged
to maintain the same travelling
establishment as an Assistant
Commissioner and has got more
arduous kind of out door work
to do than falls to the lot of an
Assistant Commissioner. The Contin-
-ence of maintaining such estab-
-lishments in a Station like
Bangalore has also to be taken
into Consideration. I am therefore
of opinion that a permanent

allowance of ~~Rs~~ $/. should
attached to the office of the Vice
President. This is not without
precedent, as former Vice Pre-
-sidents had been granted such
allowance. I submit the matter,
for the favorable consideration
and orders of Government.

Sir.

I have the honor to bring to your notice that on account of the heavy executive work I have to attend to daily — very often both in the evening and in the afternoon, I am obliged to maintain two horses. In consequence of the rise in the price of grain and fodder from various causes, the up keep of a single horse in this City at present will cost not less than Rs 30/. a month.

2. The Assistant Commissioners in the Revenue Department are required to go on out door work only during a portion of every month and the extent of their circuit is also limited. Nevertheless, they are allowed mileage and halting allowances on a liberal scale.

3. Including the new extensions the City of Bangalore has, of late years, more than trebled itself in extent. In these days of Epidemics the question of the sanitation of the different parts of the City demands the constant and vigilant attention of the Chief Municipal Executive Officer more than ever. The extension of Octroi duties, introduction of Tolls and Taxes on Vehicles and Animals, revision of house

Asst ... with ... require Constant
moving about and the work of
inspection daily in the City exceeds
actually a circuit of five miles
4. To do full justice to the out door
duties as detailed above that a
maintenance of proper equipage
is necessary. In consideration
of the heavy Cost of the up-keep,
I find it inconvenient to have
two or more horses without
any special allowance therefor.
Even the Municipal Collector,
Executive Engineer and Sanitary
Inspectors are paid horse allow-
-ance, while I who has to check
and supervise the work of all
these officers besides attending
to my own multifarious Executive
out door work, am not paid any
allowance at all. The former Vice
Presidents were being paid

allowances from Rs 100/- to Rs 150/- per mensem.

5. I request the favor of your kindly submitting my Case to Government with a recommendation for the Grant of a Special allowance of at least Rs 50/-, while employed in the City Municipality from the time of my joining the appointment in January last.
